Pope Francis personally chose Dublin, to be the host diocese for the **World Meeting of Families** from 21 – 26th August, 2018. Planning for this great national celebration of faith is well underway. A dedicated office and support team has been established and later this year a nationwide Programme talking about the family will begin with an emphasis on Pope Francis' teaching and reflections. The world Meeting of Families promises to be an occasion that will reflect on the faith experience of families from many parts of the world as well as on the challenges and celebrations which characterize the ups and down of day to day family life.

As you know hosting this national and international event requires an enormous amount of planning and funding. **In this regards the second national collection will be held on the weekend of 1 & 2nd April, 2017.**

Thank you- Lypsnc

We have had great fun preparing for this concert. Dicksboro provide wonderful facilities for our young people in the way of sport.

I would like to thank all those who have been so generous in their support of this fundraising effort. Thanks especially to Sean Keane who acted as my agent.

I hope you enjoy the show – Fr Jim.
