Stewardship - St. Canice's Parish Accounts. Year ended 31 December 2018.

On Tuesday evening the Parish Finance Committee reviewed the accounts for last year. I am very pleased to present them for your attention this weekend. I am delighted to tell you that you have been superbly generous in your financial support and we have now completed the Renovation Project and the fund has been over subscribed. We have used the balance to pay for the New Gas Boiler in the church (€ 25,000) and for the repair of the roof at the Curate's House (€17,706.) It is my great privilege to acknowledge your financial contributions and to give an account of where your money has been spent. THANK YOU very much for your unfailing support and for your generosity. Please take a copy of the accounts at rear of church.
