The Storms of life - Reflecting on this Weekend's Gospel

Often we face times in our lives that feel like we are in the middle of a storm. Can you think of a time when you have felt like this? It can also feel like we are alone and that there is no one there to help us. Sometimes it might feel that Jesus is sleeping and not there to help us when facing difficulty. When times are stormy do we ask Jesus for his help? Jesus will do what Jesus always does, he will help us see and know how to let God's love, light and life into us, which will help us calm the waves which we can feel inside at times. We don't have control over everything in our lives but we can work on how we deal with any difficulties. Sometimes we have to trust and have faith that God is there with us to help us and we do not need to be afraid.

Prayer for the end of the School Year

At the end of this school year we give thanks to God:

For all the teaching and learning that has taken place in our schools,

both in and out of the classroom,

For the talents and gifts that have been shared

and the challenges that have been faced;

For the burdens that have been lifted

and the hurts that have been healed;

For the respect and care that has been given.

We give thanks for the friendships that have just begun

and for those that have grown.

For the faith that has been lived in our daily struggles,

For the hope that has lifted our hearts on the dark days

And for the love that has kept us going.

We give thanks for the community that we are,

and we ask you Lord - Bless all of us as we take our holidays,

may our time together leave us with memories to cherish.

Pour out your love on us that we may return renewed and refreshed

to continue our journey together .

We make this prayer through Christ our Lord. **Amen**
